Anderson Township Park District

Beech Acres RecPlex features a gym and classrooms for many of the park district's year-round programs, events and leagues.

## Commissioners' Message

# PARK LEVY WITHDRAWN FROM UPCOMING BALLOT

*The Board of Park Commissioners made the decision at the October 13, 2015 park board meeting to withdraw the park district's levy from the November 3, 2015 ballot.*

*Due to the timing of this action, voters will still see Issue 18 on the ballot; however, the park district would not collect taxes for this issue.*

*Initially, the purpose of the 0.7 mill, 15-year capital levy was to generate \$12.86 million to:*

- *Purchase the Beech Acres Parenting Center's 36 acres and the RecPlex;*
- *Renovate the RecPlex;*
- *Prepare the property as parkland for the lifetime of the community.*

Since the spring of 2015, the purpose for purchasing the Beech Acres property evolved to include a combination of possible community concepts: a renovated or new public recreation center and a new Anderson High School; new development at the current Anderson High School site.

The various concepts being explored have resulted in confusion regarding the purpose of the park district's levy. Additionally, the Township Trustees announced on October 1, 2015 they will buy the Beech Acres property and RecPlex for the community and serve as the placeholder until the concepts can be further explored. If the end result is not a school, the Township is on record as saying it

would be parkland. Accordingly, the park board has withdrawn the park district's levy from the ballot.

We are grateful to Beech Acres Parenting Center for their long-standing partnership and for the opportunity to have had a chance to acquire their property for the community. We look forward to working through the process with the Forest Hills School District and Anderson Township government towards the betterment of the community.

If you have questions for the park district, please contact Ken Kushner at (513) 388-2492 or [KKushner@AndersonParks.com](mailto:KKushner@AndersonParks.com).

**FAQ:** Why didn't the ATPD choose an event location in Anderson?

**ANSWER:** After researching nearly a dozen facilities in and around Anderson, the park district selected Northern Kentucky University's Student Union Ballroom in 2010 as the facility to host the annual event. No other facility could accommodate the large dance attendance and match the close location.

The NKU Student Union Ballroom is a prominent, affordable facility allowing for over 550+ people to comfortably attend each night of the dance, while being close to Anderson.
