14<sup>th</sup> Annual

# Ball Diamond Repair FREE Certification Workshop

Learn the acceptable methods to repair ball diamonds and get in as many games as possible during the season! The Anderson Township Park District will train interested coaches and parents to properly prepare a ball diamond for play, especially after inclement weather. Field repairs performed without adequate knowledge damages the fields, which often prevents future games from being played.

**IMPORTANT NOTE:** If you attended the Workshop in 2014 and were certified, you are NOT required to attend the Workshop again, but you will need to renew your certification. A current certified individual must be present upon ANY repairs being made to an Anderson Township Park District ball diamond; failure to do so may result in lost field privileges and/or fines.

**Renewing Certification:** To renew your, Ball Diamond Repair Certification, download and complete the Re-Certification by April 10, available at AndersonParks.com, or at the Julifs Park Office, 8249 Clough Pike, Monday – Friday, 8:30 am – 5:00 pm. Once the Re-Certification Form is returned to the ATPD, you will receive your 2015 Ball Diamond Repair Certification ID in the mail within two weeks of submission.

If you are interested in attending the workshop, please complete this registration form and return to the ATPD (Julifs Park, 8249 Clough Pike, Cincinnati, OH 45244) by the deadline. Pre-registration is required in order to better serve the participants.

When you arrive, go to the Administrative Office at Julifs Park to sign-in and to have your photo taken for the ID. Shortly after the scheduled start time, the group will walk to one of the Julifs Park ball diamonds for the workshop.

**FREE  
2015 Certification  
Workshop:**

**Registration Deadline:  
Wednesday, March 25**

**Workshop:  
Saturday, March 28
