

COFFIN CLOSSES ON THE ANNUAL HAUNTED HIKE

Many of you already know that we have closed our coffins for good, as the era of terror, the Haunted Hike, will be no more. The time has come for us to devote our energy, staff time and resources to the many other things happening throughout our busy park system. We thought it appropriate to have the sun set on the Haunted Hike after its 20th year.

On behalf of everyone at the Anderson Park District, thank you for all the screams, cackles, jumps, and the fun through the years. We are all sad about the end of the Hike, but it will live on in our hearts through the great memories. We hope you will join us for other activities in the parks. Have a great Halloween!
