DOG PARK

Great dog parks provide three key elements: a large, enclosed space for Muffy and Killer to run off those extra Milk-Bone calories; socialization for both pooch and parent; and a landscape that doesn't look like the dark side of the moon. Which is why we love the **KELLOGG DOG PARK** on Kellogg Avenue in Anderson Township. A permit fee of \$25 a year for Anderson residents (\$40 for nonresidents; or visit once for \$5) buys you plenty of space for Frisbee fetch, benches under shady trees, and a separate area for small fries and shy guys. It also buys peace of mind, since dog license numbers and proof of current vaccinations are required.
