Join us for the Anderson Township Park District's 6th Annual Run to Remember 5K Run/Walk on Saturday, September 12. Not a runner or a walker? Come cheer on the participants and enjoy food, beverages, and the free concert featuring "Super-Massive" at 6 pm!

This very special event began with Nancy Horn, a loving wife and mother who lost her battle with brain cancer in 2003. Following the first event, the Horn family and friends invited others to 'run to remember' their significant loved one. Today, the event has expanded to celebrate the lives of many cherished individuals as a way to honor their memory. Four additional honorees have been included this year: Marty Demmerle Carr, Darrin Huston, David and Millie Pavlik, and Bob Rumke. Along with these new honorees, we will continue to 'run to remember' our past honorees: Rick Alfieri, Scott Barkley, Erin Borchers Bates, Jordan Bonne, Tonya Brown, Nancy Horn, Gerry Meisman, John Naish, Jr., Chris Rowswell, Jill Sutphin, and Peter Tekulve. Proceeds benefit the Anderson Township Park District Playground Fund.
