

Pole update

ANDERSON TWP. - Due to a delay at the East Coast quarry, Greater Anderson Promotes Peace granite order for its peace pole project is just now being readied for shipping.

The Beech Acres site construction schedule is being readjusted, with the new dedication ceremony date to be announced.

GAPP will continue to accept paver orders and Peace Pole Project contributions. Forms can be downloaded at the GAPP Web site, home.fuse.net/gappeace, or call the voice mail at 588-8391 to request a form.

Run to remember

ANDERSON TWP. - Join us as we Run to Remember Nancy Horn during this 2.5 mile run/walk event, Saturday, Oct. 16, at Beech Acres Park.

Runners depart at 6 p.m. and

walkers depart at 6:30 p.m.

The pre-registration deadline is Tuesday, Sept. 28. Call 474-0003 ext. 4513.

Pre-registration is \$15 and \$20 the day of the race.

Not a runner or a walker? Enjoy the after-party (free admission) with live entertainment, food and beverages. Proceeds will benefit the Beech Acres Park Playground fund.

Scare crew

Whether you cringe at creepy things or not, you're invited to be a part of the Anderson Park District's Haunted Hike crew! There are three primary volunteer options:

1) Be behind the scenes scaring visitors in one of the fright sites. Volunteers can get their own station with the station's theme,

design, and props left to the creativity of the volunteers (based on APD approval). Or, volunteers can staff a station that has a predetermined theme.

2) Guide groups of patrons through the hike. Volunteers are encouraged to dress in Halloween-attire to walk several groups of approximately 15 patrons through the luminary lit trail.

3) Assist with hike-related activities. Opportunities are available to sell glow-necklaces (or as we like to call them, monster repellent), concession treats, hayride tickets, and more to the patrons as they wait for their turn to trek the trail.

Adult volunteers only! Contact Emily Armstrong at eamstrong@andersonparks.com or 474-0003 ext. 5096 for more information.
