General Information

A gift of \$250 buys an engraved marker. The stones are formed by nature, therefore they may vary slightly in shape and size. The marker will be placed beneath an adopted tree at your requested park, depending on availability.

Please allow approximately 4 - 6 weeks depending on the weather.

Please make your \$250 contribution payable to the Anderson Township Park District. Your contribution may be a deductible gift. Consult your tax preparer. Proceeds from the balance of the gift go to the Anderson Township Park District to assist with the purchase of other plant material.

Completed forms may be mailed to Anderson Township Park District, Adopt-A-Tree, 8249 Clough Pike, Cincinnati, OH 45244. Forms may also be faxed to 513-388-2494.
